DETAILED ACTION

Allowable Subject Matter

1. Claims 4-12, 14-24 allowed.

The following is an examiner's statement of reasons for allowance: The prior art of record neither teach nor show a lens which is provided on a light emitting portion of the light emitting device and facing the light guide so as to condense the light emitted from the emitting device on the light guide, wherein the lens has a property that provides directivity of exiting light in one direction that is higher than directivity of exiting light in a direction perpendicular to the one direction, the one direction being set to a height direction of the light guide, and the perpendicular direction being set to a width direction of the light guide, the lens having a constant cross-section along a first axis thereof and a varying cross-section along a second axis thereof, the second axis being perpendicular to the first axis.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
